BBC MAESTRO

GP Strategies partners with BBC Maestro to offer a selection of their exceptional online courses as part of subscription sales. This collaboration introduces a diverse range of courses intended to enhance an employee's work and life through highly engaging micro-learning. With a strong emphasis on wellbeing, and essential workplace skills, these courses upskill and develop employees by sharing advice and insight from the world's best teachers.

Access up to 8 courses to deploy in your organization from the categories listed here:

- Public Speaking and Communication
- Time Management
- Entrepreneurship
- Building Your Brand
- Better Sleep
- Breathwork
- Finding Happiness
- The Art of Influence
